

Sassafras Primary School

Enrolling into Foundation (Prep) for 2025

Sassafras Primary School is a small school in the Dandenong Ranges. Every child knows all the students and teachers, and all the staff know every child. We are an inclusive school and value diversity. We are very proud of 'nurturing excellence' in all of our students so they fulfill their full potential.

The natural surroundings of the extensive school grounds allow opportunities for active and imaginative play.

Our students from Foundation to Grade 6 enjoy a rich classroom curriculum that is strengthened by an extensive specialist program including STEM, Stephanie Alexander Kitchen and Garden Program, Outdoor Education, Physical Education, Sport, Performing Arts and Visual Arts.

Stacey Kirkpatrick
Principal

To organise a personal school tour please contact Lauren in the School Office on 9755 1203.

Information related to our school can be found on our school website at www.sassafrasps.vic.edu.au and the Federal Government 'My School' Website.
